JANUARY 9, 2006
GREENSBORO, NORTH CAROLINA**

Attendance: Tom Campion, Chair, Chris Boykin, Laura Busse, Ron Cox, Neal Ensley, Kevin Seymour, Greg Wright, Anna Bridgers.

Guests in Attendance: Wayne Gow, Jake Jakubowski, Syl Wilkerson.

The Board meeting was called to order by Tom Campion. Neal then read the Ethics Awareness and Conflict of Interest Statement. No one indicated any conflicts.

The first order of business was approval of the December 6, 2005 meeting minutes. Greg made a motion to approve the minutes as prepared by Anna. Chris seconded the motion and the motion passed unanimously.

There was nothing to report under Document Creation.

Greg Wright reported that he is still waiting to hear from Senator Tony Rand about a convenient time in which to meet in order to present him with a plaque of appreciation. Laura stated that she would like to see an article printed about the locksmith license in the near future.

The next order of business concerned the Examination Committee. Anna stated that the next exam is scheduled for Friday, February 10th. Laura said that a test proctor is needed for this exam. Laura believes that either Ralph or Dennis would be able to proctor the exam, but Ron volunteered to proctor the exam if he is needed.

There was nothing to report under the Rules Committee.

Under the Continuing Education Committee report, Anna said that she received a new Continuing Education Sponsor Agreement form from High Country Locksmith Seminars. Jake asked a question about whether a particular course that he offers would be acceptable for the Board's continuing education requirements. The Board agreed that Jake's courses are all considered technical in nature. Wayne stated that he has been receiving telephone calls from locksmiths who have waited until the last minute to obtain their continuing education hours.

Ron made a motion to approve Jim Storie's Continuing Education Sponsor Agreement form. Jim Storie is the contact for High Country Locksmith Seminars. Greg seconded the motion and the motion carried.

Under miscellaneous business, Laura distributed guidelines to assist the Board members with their licensure enforcement efforts. Each Board member is responsible for researching those practicing as locksmiths in specific, assigned counties. Laura asked each Board member to research their assigned counties and be prepared to give a report at the next scheduled Board meeting.

Laura stated that she is planning on contacting an attorney to become rehearsed in how to pursue legal action against locksmiths who are practicing without a license. Laura said that once the Board learns this particular process, the Board can ask NCLA members and other licensed locksmiths for their help in this endeavor.

Anna shared information about a bill the Board office received for Sieveking Product Company's *Fast Facts* manuals with the Board members. The Board plans on using these manuals once the licensing exam has been revised.

The Board then took a short break.

Upon returning from the break, Anna reviewed the list of locksmiths who are renewing their licenses. Laura made a motion to approve these locksmiths for renewal. Chris seconded this motion and the motion carried.

Chris reported on behalf of the Standards Committee. Chris recommended two apprentices for the apprentice license. Neal seconded this motion. The motion carried.

Under new business, election of the new officers was held. Laura asked the Board members who might be willing to serve as an officer.

Greg made a motion for Neal to be elected as Chair of the Board. Ron seconded this motion and the motion passed.

Greg then made a motion for Laura to be elected as Vice Chair of the Board. Chris seconded the motion. The motion carried.

Finally, Laura made a motion for Ron Cox to be elected as Treasurer of the Board. Ron then made a motion for Kevin to be elected as Treasurer of the Board. Greg seconded this motion and the motion passed.

Tom declared Neal Ensley to be the new Chair of the Board, Laura Busse to be the Vice Chair and Kevin Seymour as the Treasurer.

Before moving on to other business, Jake suggested that anyone who is an approved continuing education sponsor be issued an instructor number and be charged a fee to receive this number from the Board. Laura stated that she does not believe that this is possible due to the Board's statute and the established fees the Board is allowed to assess.

The final order of business was scheduling the next Board meeting. Chris made a motion for the Board to meet on Thursday, February 23rd in Greensboro. Kevin seconded this motion. The motion carried.

With no further business, Greg made a motion for the Board to adjourn. Chris seconded the motion and the Board meeting was adjourned.

Respectfully Submitted,

Anna S. Bridgers
